

the
IPowerE
 Technology Seminar
 & 73rd Annual Luncheon

Thursday 28 April 2022
 Leonardo Royal Hotel London Tower Bridge
 45 Prescott Street
 London, E1 8GP

Powering Forward to Net Zero

The annual seminar and luncheon is well established as a key event in the calendar of the power and prime mover industries and is an occasion not to be missed. With many companies taking the opportunity to catch up on the latest technology developments and to hear and engage with internationally renowned speakers, plus the chance to network with other members, clients, colleagues and friends, old and new.

The day will commence at 10.00am with a multi-stream programme covering a range of technologies and subject matter, followed by luncheon and guest speakers in the afternoon. This is interspersed with valuable networking opportunities.

Our range of Sponsorship Packages afford your company major promotional opportunities at a price to suit your budget.

A Luncheon tables with your company's corporate identity is the ideal way to get engaged with your existing and potential clients, and network with colleagues in a less formal setting.
