

**IPOWER ANNOUNCEMENT
APPLICATIONS FOR THE POSITION
OF DIRECTOR GENERAL**

Institution of
Power Engineers

The Institution of Power Engineers (IPowerE) is seeking applications for the position of Director General (DG).

IPowerE is a specialist society providing knowledge sharing and networking opportunities to its members, it is a Professional Engineering Institution, a Professional Affiliate of Engineering Council, a Company Limited by Guarantee and a registered Charity. <http://www.ipowere.org>

The main responsibilities of the DG will be to develop and manage the continuing strategic development of IPowerE, work collaboratively with the Officers and oversee IPowerE committees to deliver strategy. The DG will represent the Institution at a high level, oversee the management of IPowerE employees, provide support to the Bedford office and visit the office periodically as required.

The DG will present a high-profile figurehead seeking opportunities to consult other bodies and develop further the existing and new links with industry and the profession including developing the sponsorship base.

The DG would be expected to attend IPowerE Trustee Board and Advisory Council meetings and intermediate progress meetings to advise Council, officers, and engage with the Trustee Board and Advisory Council of the Institution and committee chairmen. The DG should seek opportunities to meet with and seek the views of members. Appropriate expenses incurred in this role will be reimbursed to allow the candidate to fully engage with both internal and external contacts and activities.

IPowerE wishes to attract an enthusiastic candidate who is seeking ongoing activity across the engineering profession in the power sector. Suitable candidates are likely to be CEng, or IEng to have a background within the broad area of power engineering, and a good knowledge of the profession. It is expected that the person appointed to the DG position would need to spend approximately one day per week in this role, remuneration being negotiable within the financial limitations of a charitable organisation.
